

Ticket sales will be ONLINE only; tickets will not be available at the Dance Studio of Maine. Seats are assigned; however, they are first-come-first-serve for seat selection on March 11, 2019. When selecting seats, please be aware that the stage is always at the top.

**Ticket sales will be open on March 11, 2019 at noon online. No need to wait in line at the Dance Studio of Maine to purchase!**

**Dancers are not required to sit in the audience, but many love to watch fellow dancers. If your dancer is going to sit in the audience they DO need to purchase a ticket. Dancers are not permitted to wear costumes into the audience and cannot sit on anyone's lap. DSOM also does not offer babysitting during the performance. Your dancer will have a drop off and pick up time associated with their lineup in the show where they will be with one of our volunteers.**

Tickets are on sale through the following link and on our DSOM Facebook page. Share these links with family and friends so they can also purchase tickets.

Tickets are on sale online through the **day before** the performance, **May 31st, 2019**. We do not recommend waiting till the day before. Our shows are in high demand.

Make sure to select the proper show time or cast your child is performing in. You can find this through your online account. Please use your email and password that you used to set up your online account to register for classes. The show is listed next to your class when you pull up registered classes.

You can also find an attachment of the preliminary show lineups in this email. We have 3 shows: **10am, 1pm and 6pm**. Please make sure you know what show/shows your dancer is in before purchasing tickets and pass that information along to family and friends purchasing as well.

Once your order is complete, you will receive an email confirmation from ShOvation with a link to print your tickets at home like an airline boarding pass! **Please be certain to print your tickets and take them with you to the show for admission! THIS WILL SAVE YOU A TON OF TIME :-)**

**We highly recommend purchasing and printing your tickets at home prior to the**

**performance.** This helps our ushers admit you into the theater or seating area as quickly and efficiently as possible and you avoid a line at will call the day of the event! Patrons who forget to bring their tickets to the show will need to check in at WILL CALL in the lobby to validate their ticket purchase. If you require will call services, please arrive 30-45 minutes prior to show time. Will Call means to pick up your tickets at the venue on the day of the show.

All patrons purchasing their tickets will receive an email confirmation of their entire ticket order. Make sure to enter all billing information correctly: zip code, mailing address and email address to ensure your order processes correctly. An accurate email address is necessary for email receipts. Visa, MasterCard, American Express, and Discover credit cards are accepted.

All ticket issues or purchasing requests please contact Shoavation directly. Staff at DSOM does not have any ability to fix ticket purchases for wrong shows, etc.
